OYA BEACH RESORT

REDEFINED, RELAXED, REMARKABLE: THE NEW OYA BEACH EXPERIENCE

With the transformation from Serita Beach to Oya Beach Resort, a completely new concept has come to life. The vision behind the redesign was to create a place that embodies modern simplicity, elegant design, and a laid-back lifestyle.

Oya Beach is designed for those who seek balance – singles, couples, friends and families who want to unwind, reconnect, and enjoy quality time together in a stylish yet relaxed environment. The new concept combines contemporary architecture and earthy tones with a warm, welcoming atmosphere that reflects the spirit of Crete.

Whether by the pool, at the bar, or during a quiet moment by the sea – Oya Beach Resort invites guests to slow down, recharge, and experience a new sense of effortless relaxation.

The resort has been newly renovated – from rooms and pools to bars and restaurants. Each space was thoughtfully redesigned to reflect the resort's new vision and create a unique, harmonious vibe throughout the entire property.
